

UK Council on Deafness – Relay Providers Disclaimer

To help our members, we are providing a list of Relay Providers with links to their websites. Before following the links, please read and understand the following Disclaimer.

The names of the providers have been given to UKCoD and accepted by UKCoD in good faith. UKCoD has not vetted the providers or checked any of the information on their websites. UKCoD does not accept any responsibility or liability whatsoever for the quality, suitability or timeliness of any provider's work. UKCoD shall be under no liability whatsoever for any defect in, failure of, or unsuitability or unfitness for any purpose of the providers listed.

Inclusion of their names does not mean that UKCoD recommends or endorses any of the providers. The fact that a provider is or is not on the list of providers does not mean that UKCoD has an opinion on the service that they offer.

Users should contact the providers directly. It is entirely the users' responsibility to ensure that the provider, their terms and conditions for providing services are appropriate and meet their requirements.

UKCoD reserves the right to suspend or delete a provider from the list for whatever reason, and is not required to justify this. Providers may ask for their name to be deleted from the list at any time. UKCoD will not be liable for any lost earnings that are caused by suspending, deleting or omitting to list the name of any provider.
