

UKCoD - DEAF ACCESS TO COMMUNICATIONS / STRATEGIC EXECUTIVE

02/14

UKCoD is calling for expressions of interest for the vacancies of Chair and Vice Chair of Deaf Access to Communications (DAC) and its Strategic Executive, a group to champion improved access to telecommunications and broadcasting for deaf people. UKCoD is looking for two people with vision and leadership to ensure the aims are achieved. The Chair and Vice Chair Role Descriptions document outlines the skills being sought for these positions.

Expressions of interest are to be made to Jim Edwards, Chair of UKCoD, by email to jim.edwards@signature.org.uk in the form of a letter of interest, CV, etc. Informal discussion will then take place with Jim Edwards. If, as a result, there is agreement to proceed, this will be taken up as a formal application.

The deadline for any expression of interest is Monday 17th March 2014.

A panel consisting of Jim Edwards as UKCoD Chair, a member of the Strategic Executive and a member of the wider DAC group will review the applications. Those placed on the short list will be invited to meet the panel.

The preferred candidate will be recommended to the Strategic Executive for approval and with their support to the UKCoD Board.

The appointed Chair will start his / her term from an agreed date for the term as defined in the Terms of Reference at that time.
